Job Description

We're looking for a Front-end Developer who is able to develop interactive, user-friendly interfaces which are AMAZING and AESTHETIC in design, appearance, architecture, and compatibility. You will work on a diverse set of unique and challenging projects that allow users to seamlessly interact with technology.

Work Details

- Deliver best-in-class HTML5/CSS3 front-end code across a broad array of interactive web and mobile projects
- Excellent eye for layout and ability to translate PSD files into pixel perfect HTML/CSS code. SASS is a plus.
- Experience with modern JavaScript libraries and frameworks in any of them (React, Angular or Vue)
- Proficiency working with RESTFUL APIs is a plus
- Intimate knowledge of cross-browser and cross-device development
- Ability to write high-performance, reusable code for UI components, including appropriate testing
- Some experience in object-oriented programming.
- Strong problem solving, troubleshooting, & analysis skills.
- Familiarity with Linux/Unix environment
- Keen to learn, mentor and willingness to take ownership of work items ●
Some experience with distributed version control systems, such as Git

Requirements

- Bachelor's degree in Computer Science or a related field, or equivalent professional experience
- Strong communication skills

Benefits

- Working with the latest web technologies in an early-stage product startup, with plenty of opportunities to learn
- You will work directly under the mentorship of other senior designers/developers and the startup's founders

Perks

● Macbook - The world's best laptops + 22 inch LED Monitors for everyone ● Office Parties -We celebrate everything from birthdays to work anniversaries and success stories!
● Gaming Zone - Playstation, Table Tennis and plenty of more games to relax and have fun ● Annual Trips - Once a year, we forget everything and travel like there's no tomorrow. ● Hackathons - Annual 24 Hour Hackathons with some great ideas and prizes! ● Weekly Tech Talks- Knowledge is the only thing that grows when it's shared.
